- 1 Our Services
- 1 Air Barrier System
- 1 Recent Installations
- 2 Personnel Update
- 2 Steel Target Safety Guide
- 2 Shoot House Instructor
- 2 NRA RDOC

"Air Barrier System"

Savage Range Systems offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, steel target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail®** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

Air Barrier System

Our patented **Air Barrier System** utilizes its own makeup air and does NOT affect the range pressure. This results in a much better steady-state range negative pressure than provided by competitors' systems. A video showing how our **Air Barrier System** works can be viewed on our website www.SavageRangeSystems.com

Recent Installations

Recently installed traps and ranges include:

- Camp Stanley
- Douglas County Sheriff
- Denton City
- Kadena AFB
- Kings Bay NSB
- Maxwell AFB
- Patriot Arms
- Taurus
- York Regional Police
- Westley Richards & Co

Additionally, we supplied baffles to Al Udeid Air Base.

"Recent Installations"

Personnel Update

Betsy Goepfert has relocated, and Nancy Bristol has assumed the role of Customer Relations Coordinator. Christina Hockenberry has joined us as Sales Support Assistant.

Steel Target Safety Guide

Our Steel Target Safety Guide has been updated, and can be downloaded from our website www.SavageRangeSystems.com

Shoot House Instructor

Team One Network uses our steel targets to train Law Enforcement personnel. Their next Shoot House Instructor training courses are scheduled for October 19-20 in Yuba City, CA and December 13-15 at Kennedy Space Center, FL. Tuition is \$450. To register, please contact Team One Network directly at 540-437-7277 or info@teamonenetwork.com

NRA RDOC

The next NRA Range Development and Operations Conference will be held in San Antonio, TX, October 9th -13th. This provides an excellent opportunity for existing and prospective range operators to expand their knowledge regarding building and maintaining a shooting facility.

Topics covered include:

- Developing business and master plans
- Public hearings and zoning boards
- Environmental sound
- Insurance
- Range maintenance
- Range safety

For more information, contact Kara Schlifke at KSchlifke@nrahq.org or 703-267-1276.
