4/9/07 FOR IMMEDIATE RELEASE:

Savage Range Systems acquires Porta Target

Savage Range Systems, manufacturers of patented indoor and outdoor shooting ranges, safety baffles and innovative bullet traps, is pleased to announce their acquisition of **Porta Target**, a leading manufacturer of ranges, targets and shoot houses.

“**Porta Target** is an ideal addition,” said Eoin B. Stafford, Vice President and General Manager of **Savage Range Systems**, “based on the synergy of products, common markets and the fact that both companies enjoy excellent reputations for innovation, quality and service.”

A seamless transition is anticipated, as the current President (Paul Scholem) will remain with **Porta Target** until the end of this year to help with the transition and participate in procuring future business.

To learn more about **Savage Range Systems** and **Porta Target**, please visit their websites at www.snailtraps.com and www.portatarget.com.

Savage Range Systems is a subsidiary of **Savage Sports Corporation**, which includes **Savage Arms**.
