06/17/2008 FOR IMMEDIATE RELEASE:

Savage Range Systems Manufacturer of Choice for Firearms Industry.

WESTFIELD, MA: **Savage Range Systems, Inc.**, manufacturers of indoor and outdoor shooting ranges, bullet traps, steel targets and shoot houses, recently completed delivery of new bullet traps to firearms manufacturers worldwide.

Kimber Manufacturing Inc., Olin Corporation, and Stoeger (Turkey), recently took delivery of Proof and Function **Model PF13000** bullet traps. These traps are specially designed for testing and manufacturing requirements for powerful proof loads and high volume firing.

Remington Arms Company, Inc. recently received a Custom **Model R-24** box trap intended for velocity, accuracy and feed and function testing.

Kahr Arms ordered a Custom **Model 810** box trap for testing their full product line at their manufacturing plant in Worcester, MA.

Savage Range Systems continues to be the favorite among firearms and ammunition manufacturers for bullet traps and test ranges. Virtually every major manufacturer utilizes **Savage Range Systems** traps in their testing facilities.

To learn more about **Savage Range Systems**, please visit their website at www.SavageRangeSystems.com.

Savage Range Systems is a subsidiary of **Savage Sports Corporation**, which includes **Savage Arms** and **BowTech**.
