3/14/07 FOR IMMEDIATE RELEASE:

**ProActive Sales & Marketing, and Jones & Company to Represent Savage Range Systems**

Westfield, MA — Savage Range Systems is pleased to announce that ProActive Sales & Marketing and Jones & Company will represent Savage Range Systems in the Northeast and Southeast respectively.

Both agencies also represent Savage Arms, sister company of Savage Range Systems.

Within the past year Savage Range Systems introduced the patent pending Air Barrier System for their dry Snail® System and have expanded their product offering to include rubber traps. Their Forensic Buddy, a ballistic bullet trap, has been featured on CSI and will be included at the CSI Museum Exhibit, which goes on tour starting May 26, 2007.
